

Using Mobile to Read Cambridge Book Online

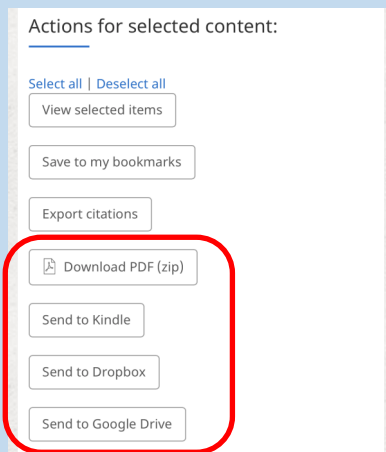

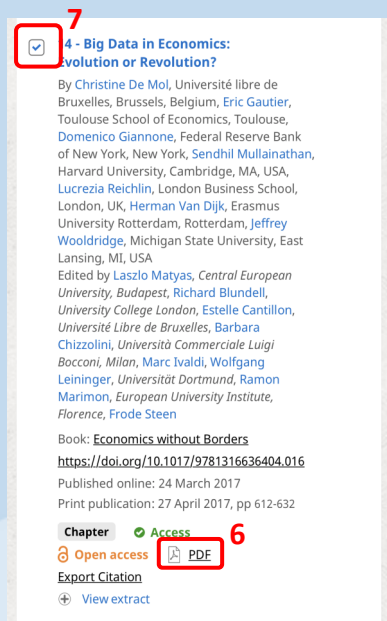

Read and download full-text book online

1. Go to the Library Homepage (<https://library.hsu.edu.hk>) and click "Databases A-Z", then select "Cambridge Books Online (via Cambridge Core)".
2. Please make sure that you are using Campus' computers, HSUHK-WIFI or VPN connected devices before entering the database.
3. Type the keywords in the search bar.
4. You will see a list of relevant results.
5. You can refine search result here, by actions, content type, author, publication date, subject, tags, journals, publishers, societies, series and collections.

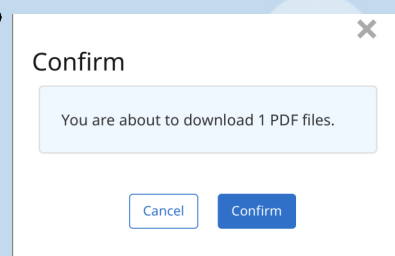

6. You can click PDF to view the full text of book chapters.

7. Or, you can put a tick on the box next to the item.
8. Scroll up to Actions for selected content, and you can download it as a PDF, or send it to Kindle, Dropbox, or Google Drive.

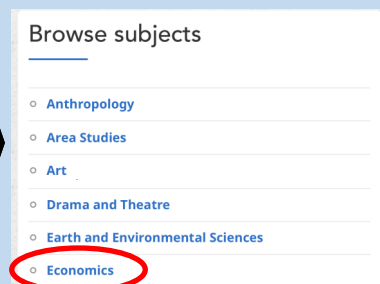

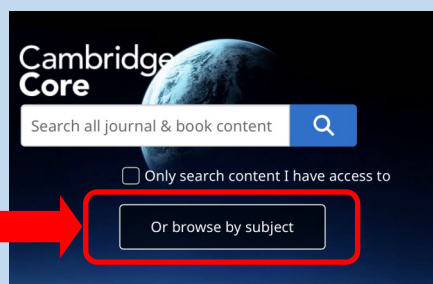

9. Confirm the download so you can get the full text.

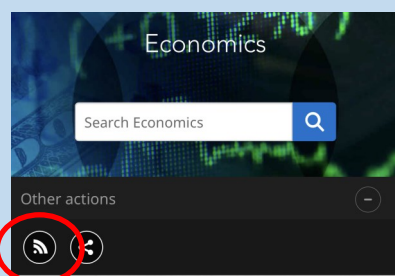

Get the updated content by subject

1. Click "or browse by subject".
2. Choose a subject area.

3. Click  icon, you can get the RSS feeds, which will alert you when your chosen subject published new content in both books and journals.

4. If you encounter any difficulties, please feel free to contact us at 3963-5316.
